## **COMMUNITY WATER WATCH PROGRAM TOPIC AT EMC MEETING**

The Monroe County Environmental Management Council (EMC) will host their next monthly meeting on Wednesday, April 5, 2000 at the Webster Town Hall Conference Room, 1000 Ridge Road, at 4:00 p.m.

Margit Brazda of the Monroe County Department of Health will provide the feature presentation, "Community Water Watch Program." In addition, John Tofany of the Town of Greece Conservation Board will make a presentation on the storm drain stenciling project and Patrick Collins of the Monroe County Department of Environmental Services will make a presentation on the storm drain medallion program.

Also at the meeting, the committee will report on such topics as the preservation of environmentally sensitive areas, wetlands, and public education.

The EMC is a division of the Monroe County Department of Environmental Services. The EMC is comprised of appointed non-partisan citizen volunteers and county officials working together to protect and promote the quality of the environment in Monroe County. The council and its staff serve in an advisory capacity to the Monroe County Executive, County Legislature, other county departments, Monroe County municipalities, and state and federal agencies.
